

Incorporating Colorado Native Plants into Your Landscapes

Workshop offered by the Colorado Native Plant Society

Presented by: Jim Tolstrup

Executive Director, High Plains Environmental Center

Saturday, October 17, 2015

9:00 a.m. – 3:00 p.m.

at the SE CO Water Conservancy District

31717 United Ave., Pueblo

\$30 CoNPS members/ \$35 for all others

(class is limited to 25)

To register go to: <http://conps.org/workshops>

For more info call Liz at (719) 766-4255

***This class will show you how to garden using native plants
(with an emphasis on habit and pollinators) including design theory, soil
preparation, and landscape construction.***

***Participants will receive a 41 page native plant guide (compiled by HPEC).
Participants are encouraged to bring digital photos and dimensioned
drawings of their gardens to share and evaluate during the class.***
